SUBJECT INDEX*

Book reviews are indicated by (*B. Rev.*); editorials by (*E*).

A

Abdominal muscle relaxation during inhalation anesthesia, use of curare for improvement of (Cullen), 261
operative wounds, study of healing of, following closure of perforated ulcers of stomach and duodenum (Meade, Jr.), 526
puncture as diagnostic aid (Henry and Vale), 574
trauma, nonpenetrating (Kelly), 163
Abdominoperineal resection, combined, urinary retention following (Coller and Eastman), 223
Abscess, appendical (Chenoweth), 702
in bone, solitary eccentric (cortical) (Brown and Ghormley), 541
of thyroid gland causing tracheal obstruction, treatment of (Prioleau), 871
Absorption, disorders in alimentary digestion and (VI); Metabolic studies in patients with cancer of gastrointestinal tract (Rekers), 197
Acidity, intragastric, influence of duodenal contents on (Kesavalu and Mann), 578
Actinomycosis of stomach and duodenum (Shearburn), 38
Actinomycotic infections, sulfonamide therapy in (Lyons et al.), 99
Acute anemia, relationship of, to wound healing (Besser and Ehrenhaft), 239
diverticulitis of jejunum (Rudder), 921
empyema by continuous tidal irrigation, treatment (Poth and Mathes), 617
perforated gastric and duodenal ulcers (Paletta and Hill), 32
Albumin, bovine serum, in experimental shock, effect of infusions of (Dunphy and Gibson, II), 509
Alimentary azotemia, experimental studies on; IV. Role of liver and kidneys (Harkins et al.), 891
digestion and absorption, disorders in (VI); Metabolic studies in patients with cancer of gastrointestinal tract (Rekers et al.), 197
Alkalosis, treatment of, use of intravenous ammonium chloride in (Zintel et al.), 728
American Association of Genitourinary Surgeons, meeting of (Creevy), 798
Surgical Association, report of annual meeting of (Bisgard), 473
Ammonium chloride, intravenous, use of, in treatment of alkalosis (Zintel et al.), 728
Anastomosis, closed, primary resection of colon and rectosigmoid (Wangensteen), 403
Anema, acute, relationship of, to wound healing (Besser and Ehrenhaft), 239
Anesthesia, inhalation, use of curare for improvement of abdominal muscle relaxation during (Cullen), 261
Angiocystic disease of pancreas, destructive (Babcock et al.), 588
Appendical abscess (Chenoweth), 702
Arterial embolism, peripheral, recent advances in treatment of (McClure and Harkins), 747
Arteriovenous fistula of common femoral vessels with extreme dilatation of external iliac vein (Watson and Miller), 296
Artery, renal, compression of, renal circulation after, according to method of Goldblatt (Corrigan and Pines), 88
Atelectasis, recurrent postoperative (Thompson), 866
Atresia of esophagus, congenital (Poth), 882
Aviation, physiology in, 320 (*B. Rev.*)
Azotemia, alimentary, experimental studies on; IV. Role of liver and kidneys (Harkins et al.), 891

B

Bacteria, fixation of, in inflamed tissues (III): Physical factors concerned in inflammation (Bellis), 111
Blood clotting, effect of sulfur compounds on (de Takats), 661
groups and transfusion, 802 (*B. Rev.*)
supply of large bowel with reference to resection (Singleton), 328

*July, pp. 1-156; August, pp. 157-320; September, pp. 321-486; October, pp. 487-644; November, pp. 645-806; December, pp. 807-958.

Bone, abscess in, solitary eccentric (cortical) (Brown and Ghormley), 541
and joint injuries in wartime, review of some; traumatic surgery (Ord et al.), 651
Book reviews, 155-156, 320, 485-486, 644, 802-806, 946
Books received, 805-806
Bovine serum albumin in experimental shock, effect of infusions of (Dunphy and Gibson, II), 509
Bowel, large, blood supply of, with reference to resection (Singleton), 328
Burns, local treatment of, tissue reactions to medicaments used in (Maun et al.), 229
Button, Murphy, in esophagogastrostomy (Miscall and Clark), 83

C

Caisson disease, leg ulcers as complication of (Glasser), 302
Cancer of colon (Ochsner), 433 (*E*) (Zinninger and Hoxworth), 366
of gastrointestinal tract, metabolic studies in patients with (VI), (Rekers et al.), 197
of rectum, one-stage perineo-abdominal operation for (Singleton), 691
Carcinoma in body and tail of pancreas with multiple venous thrombi, association of (Kenney), 600
of colon (Allen), 350
and rectum (Cattell), 378
of papilla of Vater, surgical treatment of (Gray and Sharpe), 831
of parathyroid gland (Meyer and Ragins), 282
of rectal ampulla, abdomino-anal methods for restoration of continuity accompanying excision of; Primary resection (closed anastomosis) of colon and rectosigmoid (Wangensteen), 403
Cardiac tamponade, nonoperative treatment of, resulting from wounds of heart (Blalock and Ravitch), 157
Cardiology, short history of, 156 (*B. Rev.*)
Casein digest administered intravenously and protein ingested by mouth, clinical study of relative efficiency for nitrogen metabolism of (Brunschwig and Corbin), 898
Cecum, terminal ileum, and right colon, surgery of (Whipple), 321
Cervical esophagus, perforation of, with mediastinitis (Grace and Irwin), 631
Chloride, ammonium, intravenous, use of, in treatment of alkalosis (Zintel et al.), 728
Chronic constrictive pericarditis (Strode and Doolittle), 847
osteomyelitis, sulfathiazole in (Toumey), 531
Chyle, intravenous, traumatic chylothorax treated with (Schnug and Ransohoff), 278
Chylothorax, traumatic, treated with intravenous chyle (Schnug and Ransohoff), 278
Circulation, renal, after compression of renal artery according to method of Goldblatt (Corrigan and Pines), 88
Clinical experience with thrombin as hemostatic agent (Tidrick et al.), 191
Closure of perforated ulcers of stomach and duodenum, study of healing of abdominal operative wounds following (Meade, Jr.), 526
Clotting, blood, effect of sulfur compounds on (de Takats), 661
intravenous, and its sequelae (Ochsner and DeBakey), 679
Colon and rectosigmoid, primary resection (closed anastomosis) of (Wangensteen), 403
and rectum carcinoma of (Cattell), 378
management of polyps occurring in (David), 387
cancer of (Ochsner), 433 (*E*); (Zinninger and Hoxworth), 366
carcinoma of (Allen), 350
malignancy of, symposium on surgical management of, 321-435
right, terminal ileum, and cecum, surgery of (Whipple), 321
various segments of, consideration of elective surgical procedures in (Jones), 342
Congenital atresia of esophagus (Poth), 882
Constrictive percicarditis, chronic (Strode and Doolittle), 847
Continuity, re-establishment of, anterior resection of rectosigmoid and upper rectum with (Fallis), 397
Cooper's ligament herniotomy and use of free fascial grafts, surgical treatment of recurrent inguinal hernia with special reference to (Swenson and Harkins), 807
Cortical, solitary eccentric abscess in bone (Brown and Ghormley), 541
Crile, Kelly, Lane (Matas), 1
Curare, use of, for improvement of abdominal muscle relaxation during inhalation anesthesia (Cullen), 261
in treatment of tetanus (Cullen and Quinn), 256

D

Decapsulation, kidney, and sulfathiazole toxic nephrosis (Wattenberg and Coleman, Jr.), 570

Decapsulation—Cont'd
unilateral, of kidney for transfusion oliguria (Flo and Cummings), 216
Defects, large skull, impression technique for reconstruction of (Gurdjian et al.), 876
Descent of testis: Anatomical and hormonal considerations (Wells), 436
Diagnostic aid, abdominal puncture as (Henry and Vale), 574
Digest, casein, administered intravenously and protein ingested by mouth, clinical study of relative efficiency for nitrogen metabolism of (Brunschwig and Corbin), 898
Disability evaluation principles of treatment of compensable injuries, 155 (*B. Rev.*)
Disease, caisson, leg ulcers as complication of (Glasser), 302
destructive angiocystic, of pancreas (Babcock et al.), 588
Diseases of nose, throat and ear; medical and surgical, 803 (*B. Rev.*)
Dislocation, fractures, and sprains, management of, 320 (*B. Rev.*)
Diverticulitis, acute, of jejunum (Rudder), 921
Duodenal and perforated gastric ulcers, acute (Paletta and Hill), 32
contents, influence of, on intragastric acidity (Kesavalu and Mann), 578
Duodenum and stomach, actinomycosis of (Shearburn), 38
closure of perforated ulcers of, study of healing of abdominal operative wounds following (Meade, Jr.), 526
traumatic rupture of (Sarnoff and Oremland), 272

E

Ear, nose and throat, diseases of; medical and surgical, 803 (*B. Rev.*)
Early postoperative walking (II), (Newburger), 142
Eccentric, solitary (cortical) abscess in bone (Brown and Ghormley), 541
Embolism, peripheral arterial, recent advances in treatment of (McClure and Harkins), 747
Empyema by continuous tidal irrigation, treatment of acute (Poth and Mathes), 617
Eosinophilic granuloma, solitary (Kernwein and Queen), 105
Esophagogastrostomy, Murphy button in (Miscall and Clark), 83
Esophagus, cervical, perforation of, with mediastinitis (Grace and Irwin), 631
congenital atresia of (Poth), 882

F

Fascia lata regeneration (Foshee), 554
Fascial grafts, free, use of, and Cooper's ligament herniotomy, surgical treatment of recurrent inguinal hernia with special reference to (Swenson and Harkins), 807
Femoral vessels, common, arteriovenous fistula of, with extreme dilatation of external iliac vein (Watson and Miller), 296
Fistula, arteriovenous, of common femoral vessels with extreme dilatation of external iliac vein (Watson and Miller), 296
Foreign body, unusual intra-abdominal (Wikle), 122
Fracture, dislocation, and sprains, management of, 320 (*B. Rev.*)
Free fascial grafts, use of, and Cooper's ligament herniotomy, surgical treatment of recurrent inguinal hernia with special reference to (Swenson and Harkins), 807
Frei antigen and sulfonamide, in rectal stricture due to lymphogranuloma (Seidenstein), 73

G

Gastric and duodenal ulcers, acute perforated (Paletta and Hill), 32
Gastrointestinal tract, cancer of, metabolic studies in patients with (VI), (Rekers), 197
lipomas of (Schottenfeld), 47
Genitourinary surgeons, meeting of American Association of (Creevy), 798
Gland, parathyroid, carcinoma of (Meyer and Ragins), 282
salivary, origin of, tumors of (Robbins), 924
thyroid, abscess of, causing tracheal obstruction, treatment of (Prioleau), 871
Goldblatt, method of, renal circulation after compression of renal artery according to (Corrigan and Pines), 88
Gonadotropins; descent of testis (Wells), 456
Grafts, free fascial, use of, and Cooper's ligament herniotomy, surgical treatment of recurrent inguinal hernia with special reference to (Swenson and Harkins), 807
Granuloma, solitary eosinophilic (Kernwein and Queen), 105
Gynecology including female urology, 802 (*B. Rev.*)

H

Hand, middle palmar septum of, surgical significance of (Flynn), 134

Healing, wound relationship of acute anemia to (Besser and Ehrenhaft), 239
Heart, wounds of, nonoperative treatment of cardiac tamponade resulting from (Blalock and Ravitch), 157
Hemorrhage, delayed, traumatic rupture of spleen with (Waugh and Prior), 125
Hemostatic agent, thrombin as, clinical experience with (Tidrick et al.), 191
Heparin, effect of, on experimentally produced venous thrombosis (Rabinovitch and Pines), 669
Hernia, recurrent inguinal, surgical treatment of, with special reference to Cooper's ligament herniotomy and use of free fascial grafts (Swenson and Harkins), 807
Hernial sac ligation, new simple and rapid methods for (Lich, Jr., and Samson), 306
Hernioplasty, inguinal, recurrences following (Stein and Casten), 819
Herniotomy, Cooper's ligament, and use of free fascial grafts, surgical treatment of recurrent inguinal hernia with special reference to (Swenson and Harkins), 807
Hormonal and anatomical considerations: descent of testis (Wells), 436
Hospital, station, surgical service of, in Middle East (Walton), 645
Hypertension, sympathetic system in, preliminary observations concerning paravertebral injection of (Schwartz and Findley), 267

I

Ileum and small intestine, lipomas of (Schottenfeld), 47
terminal, cecum, and right colon, surgery of (Whipple), 321
Iliac vein, external, arteriovenous fistula of common femoral vessels with extreme dilatation of (Watson and Miller), 296
Impression technique for reconstruction of large skull defects (Gurdjian et al.), 876
Infections, actinomycotic, sulfonamide therapy in (Lyons et al.), 99
Inflammation, physical factors concerned in (III), (Bellis), 111
Inguinal hernia, recurrent, surgical treatment of, with special reference to Cooper's ligament herniotomy and use of free fascial grafts (Swenson and Harkins), 807
hernioplasty, recurrences following (Stein and Casten), 819
Inhalation anesthesia, use of curare for improvement of abdominal muscle relaxation during (Cullen), 261
Injection, paravertebral, of sympathetic system in hypertension, preliminary observations concerning (Schwartz and Findley), 267
Intestine, small, and ileum, lipomas of (Schottenfeld), 47
Intra-abdominal foreign body, unusual (Wikle), 122
Intragastric acidity, influence of duodenal contents on (Kesavalu and Mann), 578
Intravenous ammonium chloride, use of, in treatment of alkalosis (Zintel et al.), 728
chyle, traumatic chylothorax treated with (Schnug and Ransohoff), 278
clotting and its sequelae (Ochsner and DeBakey), 679
Intussusception in infancy and childhood (Gibbs and Sutton), 708
Irritation, continuous tidal, treatment of acute empyema by (Poth and Mathes), 617

J

Jejunum, acute diverticulitis of (Rudder), 921
Joint and bone injuries in wartime, review of some; traumatic surgery (Ord et al.), 651

K

K, vitamin, synthetic, and thrombosis of veins following injury (Morton et al.), 915
Kelly, Lane, Crile (Matas), 1
Kenny versus orthodox treatment of anterior poliomyelitis (Key), 20
Kidney decapsulation and sulfathiazole toxic nephrosis (Wattenberg and Coleman, Jr.), 570
unilateral decapsulation of, for transfusion oliguria (Flo and Cummings), 216
Kidneys and liver, role of (IV); Experimental studies on alimentary azotemia (Harkins et al.), 891

L

Lane, Crile, Kelly (Matas), 1
Leg ulcers as complication of caisson disease (Glasser), 302
Ligation, hernial sac, new simple and rapid method for (Lich, Jr., and Samson), 306
of superior mesenteric vein (Schnug), 610
Lipomas of gastrointestinal tract (Schottenfeld), 47
Liver and kidneys, role of (IV); Experimental studies on alimentary azotemia (Harkins et al.), 891
Local treatment of burns, tissue reactions to medicaments used in (Maun et al.), 229

Lymph node metastases, 644 (*B. Rev.*)
Lymphogranuloma venereum, rectal stricture due to (Seidenstein), 73
Lymphosarcoma, primary (reticulum-cell type); Malignant neoplasms of spleen (Hausmann and Gaarde), 246

M

Malignant neoplasms of spleen (Hausmann and Gaarde), 246
Mastitis obliterans (Payne et al.), 719
Metastases, lymph node, 644 (*B. Rev.*)
Mediastinitis, perforation of cervical esophagus with (Grace and Irwin), 631
Medicaments used in local treatment of burns, tissue reactions to (Maun et al.), 229
Meetings, recent, review of, 473, 798
Mesenteric vein, ligation of superior (Schnug), 610
Metabolic studies in patients with cancer of gastrointestinal tract (VI), (Rekers et al.), 197
Metabolism, nitrogen, of casein digest administered intravenously and protein ingested by mouth, clinical study of relative efficiency for (Brunschwig and Corbin), 898
Middle palmar septum of hand, surgical significance of (Flynn), 134
Murphy button in esophagogastrostomy (Miscall and Clark), 83
Muscle relaxation, abdominal, during inhalation anesthesia, use of curare for improvement of (Cullen), 261

N

Neoplasms, malignant, of spleen (Hausmann and Gaarde), 246
Nephrosis, sulfathiazole toxic, and kidney decapsulation (Wattenberg and Coleman, Jr.), 570
Nervous system, diseases of, roentgen treatment of, 155 (*B. Rev.*)
Nitrogen metabolism of casein digest administered intravenously and protein ingested by mouth, clinical study of relative efficiency for (Brunschwig and Corbin), 898
Nonoperative treatment of cardiac tamponade resulting from wounds of heart (Blalock and Ravitch), 157
Nonpenetrating abdominal trauma (Kelly), 163
Nose, throat and ear, diseases of; medical and surgical, 803 (*B. Rev.*)

Postoperative atelectasis, recurrent (Thompson), 866
walking, early (II), (Newburger), 142
Pressures, venous, in patients with varicose veins (Mayerson et al.), 519
Prostatectomy, transurethral, 804 (*B. Rev.*)
Protein ingested by mouth and casein digest administered intravenously, clinical study of relative effi-

Protein—Cont'd
ciency for nitrogen metabolism of (Brunschwig and Corbin), 898
solutions, serum, therapy of shock in experimental animals with (II), (Muirhead et al.), 171
Puncture, abdominal, as diagnostic aid (Henry and Vale), 574

R

Reactions, tissue, to medicaments used in local treatment of burns (Maun et al.), 229
Reconstruction of large skull defects, impression technique for (Gurdjian et al.), 876
Rectal stricture due to lymphogranuloma venereum (Seidenstein), 73
Rectosigmoid and colon, primary resection (closed anastomosis) of (Wangensteen), 403
and upper rectum, anterior resection of, with re-establishment of continuity (Fallis), 397
Rectum and colon, carcinoma of (Cattell), 378
management of polyps occurring in (David), 387
cancer of, one-stage perineo-abdominal operation for (Singleton), 691
upper, and rectosigmoid, anterior resection of, with re-establishment of continuity (Fallis), 397
Recurrences following inguinal herniоplasty (Stein and Casten), 819
Recurrent postoperative atelectasis (Thompson), 866
Regeneration, fascia lata (Foshee), 554
Reid, Mont Rogers; In memoriam (Zinninger), 642
Renal artery, renal circulation after compression of, according to method of Goldblatt (Corrigan and Pines), 88
circulation after compression of renal artery according to method of Goldblatt (Corrigan and Pines), 88
lithiasis, 946 (*B. Rev.*)
Resection, anterior, of rectosigmoid and upper rectum with re-establishment of continuity (Fallis), 397
blood supply of large bowel with reference to (Singleton), 328
combined abdominoperineal, urinary retention following (Coller and Eastman), 223
primary (closed anastomosis) of colon and rectosigmoid (Wangensteen), 403
Retention, urinary, following combined abdominoperineal resection (Coller and Eastman), 223
Rib fractures, traumatic rupture of spleen with delayed hemorrhage as complication of (Waugh and Prior), 125
Roentgen treatment of diseases of nervous system, 155 (*B. Rev.*)
Rupture, traumatic, of duodenum (Sarnoff and Oremland), 272
of spleen, with delayed hemorrhage (Waugh and Prior), 125

Saline concentrated and dilute serum solutions and, fate in body of (II): Therapy of shock in experimental animals with serum protein solutions (Muirhead et al.), 171
Salivary gland, origin of, tumors of (Robbins), 924
Septum, middle palmar, of hand, surgical significance of (Flynn), 134
Sequelae, intravenous clotting and its (Ochsner and DeBakey), 679
Serum albumin, bovine, in experimental shock, effect of infusions of (Dunphy and Gibson, II), 509
concentrated and dilute and saline solutions, fate in body of (II): Therapy of shock in experimental animals with serum protein solutions (Muirhead et al.), 171
protein solutions, therapy of shock in experimental animals with (II), (Muirhead et al.), 171
Shock, experimental, bovine serum albumin in, effect of infusions of (Dunphy and Gibson, II), 509
problem, consideration of present status of (Blalock), 487
therapy of, in experimental animals with serum protein solutions (II), (Muirhead et al.), 171
Sigmoidoscope, new practical (Wakeley), 395
Skin tumors, malignant, role of surgery in treatment of (Slaughter), 732
Skull defects, large, impression technique for reconstruction of (Gurdjian et al.), 876
Solitary eccentric (cortical) abscess in bone (Brown and Ghormley), 541
eosinophilic granuloma (Kernwein and Queen), 105
Solutions, serum protein, therapy of shock in experimental animals with (II), (Muirhead), 171
Spleen, malignant neoplasms of (Hausmann and Gaarde), 246
traumatic rupture of, with delayed hemorrhage (Waugh and Prior), 125
Sprains, fractures, and dislocations, management of, 320 (*B. Rev.*)
Station hospital, surgical service of, in Middle East (Walton), 645
Stomach and duodenum, actinomycosis of (Shearburn), 38

Stomach and duodenum—Cont'd
closure of perforated ulcers of, study of healing of abdominal operative wounds following (Meade, Jr.), 526
Stricture, rectal, due to lymphogranuloma venereum (Seidenstein), 73
Sulfathiazole in chronic osteomyelitis (Toumey), 531
toxic nephrosis and kidney decapsulation (Wattenberg and Coleman, Jr.), 570
Sulfonamide and Frei antigen, in rectal stricture due to lymphogranuloma venereum (Seidenstein), 73
therapy in actinomycotic infections (Lyons et al.), 99
Sulfonamides in surgery (Richards), 308
Sulfur compounds, effect of, on blood clotting (de Takats), 661
Surgery, role of, in treatment of malignant skin tumors (Slaughter), 732
sulfonamides in (Richards), 308
terminal ileum, cecum, and right colon (Whipple), 321
traumatic (Ord et al.), 651
war, principles and practice of, 485 (*B. Rev.*)
Surgical association, American, report of annual meeting of (Bisgard), 473
procedures, elective, consideration of, in various segments of colon (Jones), 342
service of station hospital in Middle East (Walton), 645
significance of middle palmar septum of hand (Flynn), 134
treatment of carcinoma of papilla of Vater (Gray and Sharpe), 831
of recurrent inguinal hernia with special reference to Cooper's ligament herniotomy and use of free fascial grafts (Swenson and Harkins), 807
Suture-testing apparatus, simplified (Dennis), 640
Sympathetic system in hypertension, preliminary observations concerning paravertebral injection of (Schwartz and Findley), 267
Symposium on surgical management of malignancy of colon, 321-435
System, sympathetic, in hypertension, preliminary observations concerning paravertebral injection of (Schwartz and Findley), 267

T

Tamponade, cardiac, nonoperative treatment of, resulting from wounds of heart (Blalock and Ravitch), 157
Technique, impression, for reconstruction of large skull defects (Gurdjian et al.), 876
Testis, descent of: Anatomical and hormonal considerations (Wells), 436
Tetanus, use of curare in treatment of (Cullen and Quinn), 256
Therapy, sulfonamide, in actinomycotic infections (Lyons et al.), 99
Throat, nose and ear, diseases of; medical and surgical, 803 (*B. Rev.*)
Thrombi, multiple venous, association of carcinoma in body and tail of pancreas with (Kenney), 600
Thrombin as hemostatic agent, clinical experience with (Tidrick et al.), 191
Thrombosis of veins and synthetic vitamin K following injury (Morton et al.), 915
venous, experimentally produced, effect of heparin on (Rabinovitch and Pines), 669
Thyroid gland, abscess of, causing tracheal obstruction, treatment of (Prioleau), 871
Tidal irrigation, continuous, treatment of acute empyema by (Poth and Mathes), 617
Tissue reactions to medicaments used in local treatment of burns (Maun et al.), 229
Tissues, inflamed, fixation of bacteria in (III): Physical factors concerned in inflammation (Bellis), 111
Tracheal obstruction, treatment of abscess of thyroid gland causing (Prioleau), 871
Tract, gastrointestinal, cancer of, metabolic studies in patients with (VI), (Rekers), 197
lipomas of (Schottenfeld), 47
Transfusion and blood groups, 802 (*B. Rev.*)
oliguria, unilateral decapsulation of kidney for (Flo and Cummings), 216
Transurethral prostatectomy, 804 (*B. Rev.*)
Trauma, nonpenetrating abdominal (Kelly), 163
Traumatic chylothorax, treated with intravenous chyle (Schnug and Ransohoff), 278
rupture of duodenum (Sarnoff and Oremland), 272
of spleen with delayed hemorrhage (Waugh and Prior), 125
surgery (Ord et al.), 651
Treatment, local, of burns, tissue reactions to medicaments used in (Maun et al.), 229
nonoperative, of cardiac tamponade resulting from wounds of heart (Blalock and Ravitch), 157
orthodox, of anterior poliomyelitis, Kenny versus (Key), 20

Treatment—Cont'd
surgical, of carcinoma of papilla of Vater (Gray and Sharpe), 831
of recurrent inguinal hernia with special reference to Cooper's ligament herniotomy and use of free fascial grafts (Swenson and Harkins), 807
Tumors of salivary gland origin (Robbins), 924
skin, malignant, role of surgery in treatment of (Slaughter), 732
